STAFF CODE OF CONDUCT

Aspire to Improve

Our staff:
- Celebrate the achievements of the school and its individuals
- Are positive about our school and are proactive in seeking to continually improve as educators
- Support and are accountable for school policies, procedures and initiatives
- Respect the spaces and equipment at the school and display pride in the way they are presented

Aspire to Include

Our staff:
- Accept and value the diversity of families, students and staff
- Value the opinions of others and seek to include these opinions in the decision-making process
- Respect all members of the community
- Support home/school partnerships recognising that parents have a valuable and necessary part in the relationship
- Model appropriate behaviours and conduct themselves professionally at all times
- Welcome parents/volunteers in classrooms to support and enhance learning
- Meet all obligations as members of Department of Education Early Childhood Development (DEECD) at Newport Gardens Primary School and actively contribute to school and DEECD policies/initiatives and programs
- Share knowledge and provide feedback, expertise and resources with each other actively and regularly

Aspire to Grow

Our staff:
- Have high expectations of self and others
- Actively work to support whole school policies, procedures and initiatives
- Are active members of the school community and attend school events where appropriate
- Recognise their own strengths and weaknesses and are responsible for seeking professional learning to enhance their skills

Nurturing our Future
