

3rd February 2025

Dear parent/guardian/carer,

Newport Gardens Primary School is looking forward to another great year of teaching and learning and would like to advise you of our Voluntary Contributions for 2025.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. The ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

We continue to value your contributions in supporting our school programs and resources. These contributions assist us in providing items that students use to access the curriculum and allow us to continue to support our children in broadening their educational experiences. These funds also provide our year level and specialist teams with yearly budgets. Without parents paying these contributions it becomes challenging to provide all students with the appropriate curriculum stationary as well as access to our Online Platforms and year level resources such as Art, Science and IT supplies.

Your past contributions have enabled positive changes to our programs and implementations. The parent payment contribution allows us to facilitate a daily club program for our Year Prep - 6 children, ensuring they are well resourced. Our new outdoor classroom is becoming a promising method to increase engagement, providing our learners with an alternative to the traditional classroom space. The continued expansion of our school and classroom libraries with books and furniture as well as new sports equipment has only been possible with the contributions of our families.

The generosity of our school community will allow us to consolidate our digital portfolios on Seesaw, alongside the maintenance of our digital devices. Our Deductable Gift Recipient fund has enabled us to purchase quality literature which has a direct impact on student reading, engagement and instructional practices. This generosity is appreciated by all and without your valued contributions, many of these things may not be possible.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Blayne Wallis
Principal

PARENT PAYMENTS POLICY

ONE PAGE OVERVIEW

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the standard curriculum requirements in Victorian Curriculum F-10, VCE and VCAL.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
