Term 3

Year 1/2

This Term, students will explore the unit of 'Textile and Threads' through the creation of a unique paper weave. They will study the element of line to create a whole-body self-portrait. Students will also learn about landscape style artworks and will create a patterned landscape using oil pastel and tempera paint.

Year 3/4

This Term, students will tell a story through the creation of a hand-sewn mandala. Students will use colour, shape, and line to create a radial symmetry design. They will learn how to knot and thread a needle, and sew a running stitch, cross stitch, whipped stitch etc.

Students will learn a bit about the history of textiles and will be inspired by a local Indigenous artist, Cassie Leatham and her woven mats.

Welcome to Term 3

I am available for a chat before and after school and my email is Leyna.parkes@education.vic.gov.au

Arty Donations: Beads, yarn, vintage calendars and newspaper are always appreciated in the art room. Your trash is our treasure!
