

# Visual Arts with Leyna

## Term 1

### Prep

Students will explore the *elements of art* including line, shape, and texture. They will explore a variety of painting techniques through the creation of a layered watercolour painting and a wax-resist painting. Students will explore colour theory and develop their cutting and gluing skills to create an imaginative place collage using hand-painted paper.

### Year 1/2

Students will create an observational drawing of gum branches collected from our school yard. They will explore different mark-making techniques to create a mixed-media artwork. Students will also develop their cutting and pasting skills through the creation of a fabric family collage.

*\*any donations of small scrap pieces of fabulous fabric would be great!*

### Year 3/4

Student will explore printmaking through the creation of a collagraph print. Students will cut out a variety of shapes and assemble them together to create a collaged image. Students will then then experiment with different printmaking techniques to achieve a variety of prints.

*\*any donations of unwanted pasta machines would be amazing*

### Year 5/6

Students will explore fibre art through the creation of a dry felted 2D artwork. Students will be introduced to needle felting techniques and materials. Students will design their image based on their interests and passions. Students will explore the principles of design to ensure that they have an effective design.

Welcome to Term 1

Arty Donations: textured fabric or wallpaper, pasta machine, APRONS, newspaper
