

TERM 4 • PHYSICAL EDUCATION

Moving, learning and having fun!

PREP | Cricket foundations

Prep students will explore modified cricket activities, developing throwing, catching, rolling, running and striking a ball off a tee. Fun minor games will introduce simple rules and movement skills.

GRADE 1 | Cricket & athletics

Grade 1 students will continue developing their batting, bowling, throwing and catching skills. They will also prepare for the upcoming Athletics Carnival, featuring modified events such as chicken discus and basketball shot put!

GRADE 2 | Cricket & athletics

Grade 2 students will build their cricket skills in batting, bowling, throwing and catching, followed by a basic end-of-unit assessment. They will also take part in modified Athletics Carnival events, including chicken discus and basketball shot put!

GRADE 3 | Cricket, athletics & table tennis

Grade 3 students will complete their cricket unit with assessments in bowling, batting and fielding. After training for the Athletics Carnival, they will finish the term learning table tennis serves, forehand shots and backhand shots.

GRADE 4 | T20 Blast! & teeball

Grade 4 students will explore the skills and rules of T20 Blast! cricket and complete assessments in batting, bowling and fielding. They will then move into teeball, refining their batting and fielding skills.

GRADE 5 | T20 Blast! & volleyball

Grade 5 students will continue T20 Blast! cricket, with some representing the school in the upcoming district competition. Following cricket skill assessments, they will focus on volleyball, practising serving, digging, setting and spiking.

GRADE 6 | T20 Blast! & badminton

Grade 6 students will continue playing cricket and have the opportunity to try out for school T20 Blast! teams. After an end-of-unit skills assessment, they will learn badminton flick serves and effective forehand and backhand shots.
