

P.E. TERM 4 NEWSLETTER

PREP

Prep students are learning the basic movements and actions of cricket and will be having fun learning throwing, catching, striking and stopping skills.

GRADE 1/2

Grade 1 and 2 students will be practicing modified cricket skills. Small mini games will be played and we will be progressing our throwing into a basic bowling action.

GRADE 3/4

We will be learning more game related cricket skills such as how to run up and bowl correctly and making correct decisions when fielding a ball in mini games.

GRADE 5/6

Grade 5 and 6 students will be refining their bowling actions and learning to vary how to pitch and bounce the ball. When batting we will be learning how to direct the ball into spaces on the field.
